

**MONTREAL - WITH DENVER MANUAL BURNER**

## MONTREAL 800 mm - Front/Left - Manual

This contemporary Montreal built-in fireplace, with an open front and left-side opening, comes with the classic manual burner. Manual operation – no electronics. Also available in a variety of configurations and with alternative burner options. Designed and produced in Denmark. Ideal as a stylish focal point for modern interiors.

### OPERATION

The flame is manually controlled using the included shutter tool, which is also used to safely extinguish the fireplace.

### MANUAL FILLING

Use the tap included with the bioethanol container. An External Fuel Pump is available as an optional upgrade for easier handling."
